

FRIDAY FOLDERS

May 11, 2018

As we approach this Mother's day weekend, I would like to take this opportunity to wish all the mothers in our school community a very blessed and happy Mother's Day! Mothers are so very important in the lives of their children; yours is an awesome responsibility. May God bless you for all you are and for all you do!

Our PK3 & PK4 Moms were invited to a very special, Mother's Day Tea this past Wednesday in Walker Hall. The children made a video for their Moms(no dry eyes after that one) , make special gifts and shared lots of hugs and kisses.

MAY PROCESSION: The children of the school will honor Our Blessed Mother this Monday night, May 14th at 6:30 p.m. in church. All children in grades K-8 are expected to be in attendance for this very special event. Children will come directly to school by 6:00 p.m.; the procession will begin at 6:20 with the ceremony beginning at 6:30. Sacramental grades wear what they wore on their special day; eighth grade will wear their graduation robes. Students will be dismissed from church. The crowning is not very long so please plan on attending and praying with us as we ask Our Blessed Mother to bless our families.

We wish to congratulate Cecilia Hricko, who was chosen by her classmates, for the honor of May Queen this year.
