Our craft club has been formed to give our middle school students some time to socialize after school while using their creative gifts and talents. We will work together to produce seasonal crafts at low cost that students will be able to bring home and share with their families.

If you would like to have your child participate in this month's after school activity, please remit the form at the bottom with payment to Ms. Fitzpatrick by Friday, January 18, 2019. No forms or payments will be accepted after this date.

Our next craft club activity will take place on Monday, January 28, 2019 in Room 210 from 3:00-4:30 p.m. The cost for this activity is \$10.00 (CASH ONLY). We will produce Hearts on Canvas at our next meeting. Several of our teachers have offered to be on hand to assist.
