Building a foundation in Faith and Education

Saint Cornelius Early Learning Center welcomed our students and staff back for a new school year on Tuesday, September 1st! Everyone was eager to get back to school and our staff and students have kicked off the year with so much happiness and excitement!

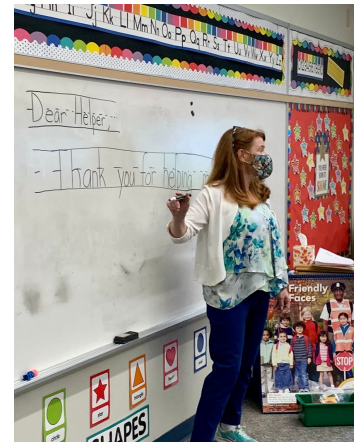

"Teaching at St. Cornelius has made me so happy over the years. I love to create engaging, entertaining activities that promote learning in our classroom! I love to see their faces light up when they are happy or when they do something for the very first time! I hope I make a difference in their lives because they definitely make a difference in mine!" - **Mrs. Debbie Anderson (pictured left), Saint Cornelius PreK4 teacher**

"Saint Cornelius is a very heartwarming parish that always makes you feel welcome. The families are dedicated to the advancement of their children in a loving environment. Teaching here is more than just a job. I enjoy seeing the excitement in each child's eyes as they discover new things and grow in God's love." - **Mrs. Maureen Hegarty (pictured right), Saint Cornelius Kindergarten teacher**

"Saint Cornelius has become a second home to me over the last few years. The loving, engaging, and nurturing environment at Saint Cornelius is unique in that it impacts all who enter our building. Our school is blessed to have dedicated teachers, supportive parents, and enthusiastic students! It is a joy to watch our students each day as they learn new things, build life-long friendships, and grow in their Catholic faith. I'm excited for the future of Saint Cornelius Early Learning Center and I'm so thankful for the support we have received!" - **Ms. Abbie Kohlbrenner (pictured left), Director of Saint Cornelius Early Learning Center**
